

The huge white tent is shining through spring green twigs. Music swings up to the summer camps of the Poschiavo Valley, to the shiny snow covered mountaintops that are reflected between clouds in the Lago di Poschiavo.

Sound tree and streaming poesy are located in the village of Poschiavo and whoever dares to take a journey on **The little red one** to the glaciers on the rails of the Unesco World Heritage Candidacy, will experience the resonance of the alpine space of Alpe Palü.

## **UNCOOL festival of jazz improv world cosmo music**

is happening for the fifth time (since 1999) with an excellent program of international contemporary music. The festival is dedicated to the music of Tuva – as birthday present to Sainkho Namtchylak – and the element of water...

In a spaceship of Jazz Henry Grimes lands with his All Star crew and the shaman Ai-Chourek (moon heart) opens the festival with drumming, singing and dancing to the sparkling fire, the Siberian CAMLANJE ritual before dawn on May 17<sup>th</sup>. Curious?
